I am

a dumb person

I'm trying to

communicate with others without any difficulty

But

others makes it difficult and makes me feel odd

Because

most of them are not familiar with the technology/application I use

Which makes me feel

feeling uneasy and different from others

I am

A mute person

I'm trying to

Communicate more effectively

But

Sometimes my conversations with people result in misunderstandings

Because

The image processing's output sentence does not match what I had anticipated

Which makes me feel

Frustrated
